Dear MISIF Members,

Re: Survey on Issues/Problems Faced by Members of the Malaysian Iron and Steel Industry

As 2022 is about to end, we wish to thank all of you for the support rendered to MISIF.

MISIF, as the national industry association representing the whole value chain of the iron and steel industry in Malaysia, from upstream to the downstream manufacturing activities, has a great responsibility in ensuring the healthy development and growth of the industry. Towards this end, MISIF will continue to adopt a consultative approach to obtain viewpoints that reflect the general consensus of MISIF members on the issues at hand and to continuously engage and collaborate with the Government authorities on diverse subject- matters.

In view of the above, it is imperative for MISIF to receive regular feedback from members, through a survey on the various problems faced by members so that an overview of critical matters confronting the industry could be identified. This would then facilitate further discussions within MISIF as well as with the Government (where relevant) with the sole aim of formulating appropriate optimal solutions in addressing the issues for the benefit of the industry.

A survey form has been prepared for this purpose. You may wish to highlight issues or concerns or recommendations, if any, for the industry as part of our agenda next year through the link below:

<https://docs.google.com/forms/d/e/1FAIpQLSffHY7RRIno9A5eHvI108DG4ShFBke4LqD0Pau1eZabj0chyQ/viewform>

Kindly complete and return to MISIF preferably not later than **20 January 2023**. Though we intend to carry out this survey on a periodical basis, nevertheless, you are welcome to indicate to us at any point of time desirable in the event you have any situation or matters that require our attention. You may email to Ms Tan Ai Joo, MISIF Secretariat at aijoo@misif.org.my We are confident that with the full support and cooperation of all members, we can together navigate the industry to greater heights.

Meanwhile, we also would like to take this opportunity to wish all of you Merry Christmas and a Happy New Year. Cheers to another year!

Yours sincerely,

Ng Mor Kiang
Chief Executive Officer
