

2024 SEAISI/MISIF Seminar

Theme: The Best Practices for Steel Plant Maintenance and Reliability Improvement

28 February 2024

INTRODUCTION

In the dynamic landscape of the steel industry, the pursuit of optimal efficiency and reliability in plant operations is paramount. The 2024 SEAISI Travelling Seminar with Theme "The Best Practices for Steel Plant Maintenance and Reliability Improvement" serves as a strategic platform to delve into cutting-edge approaches and industry-proven methodologies aimed at enhancing the overall maintenance and reliability of steel plants. Recognizing the critical role of these aspects in sustaining productivity and minimizing downtime, the conference brings together industry experts, thought leaders, and professionals to share insights, best practices, and innovative solutions. From leveraging advanced condition monitoring systems to embracing digital transformation in maintenance fields, the conference promises a comprehensive exploration of strategies to lower operational costs and elevate the performance of steel plants to new heights.

WHO SHOULD ATTEND?

This event is designed for engineers, analysts, researchers, senior professionals, superintendents, and plant managers, offering a unique opportunity to exchange knowledge and expertise. By fostering collaboration and dialogue among key stakeholders, the conference aims to equip attendees with actionable takeaways that can be implemented to drive improvements in maintenance practices and enhance the overall reliability of steel plants. This strategic gathering aims to address critical challenges faced by the industry, bringing together esteemed speakers from global leaders in steel manufacturing.

Date:
Wednesday, 28 February 2024

Time:
8.30 a.m. – 1.00 p.m.

Venue:
MISIF Training Room,
Shah Alam, Selangor,
MALAYSIA

About MISIF

The Malaysian Iron & Steel Industry Federation (MISIF) is the national industry association for manufacturers of iron and steel products of Malaysia. Among its activities, MISIF regularly organizing seminars, conferences and training courses to promote the well-being of the industry.

About SEAISI

The South East Asia Iron & Steel Institute (SEAISI) is a professional technical institute representing the iron and steel industry in South East Asia. The member countries in SEAISI are Indonesia, Malaysia (MISIF), Philippines, Thailand, Singapore and Vietnam. The supporting member countries are Australia, Taiwan, Japan and South Korea.

About Travelling Seminar

Each year, SEAISI collaborates with the national committees of its member countries (MISIF in Malaysia) to organize a travelling seminar on topics of interest to the steel community in the ASEAN region.

2024 SEAISI/MISIF Travelling Seminar
28 February 2024, MISIF Training Room, Shah Alam, Selangor, MALAYSIA

Registration Form

Please register the following person/s for the “Travelling Seminar”.

PLEASE TYPE IN BLOCK LETTERS:-

1 Name: _____

Designation: _____

Email: _____

2 Name: _____

Designation: _____

Email: _____

3 Name: _____

Designation: _____

Email: _____

Particulars of person confirming booking:

Name: _____

Designation: _____

Company: _____

Address: _____

Tel/Fax: _____

Email: _____

Registration Fees / Procedures

MISIF Members: **RM500.00**

Non-MISIF Members: **RM600.00**

Deadline for Registration / Payment: **23 February 2024**

(Note: 10% discount for registration of 3 or more participants from a single company).

- The registration form may be duplicated for additional participants.
- Confirmation of participation is upon receipt by MISIF of your completed registration form and payment, made payable to: **MALAYSIAN IRON AND STEEL INDUSTRY FEDERATION**. Payment can also be made by banking payment to MISIF’s account at: **CIMB Bank Berhad Account No: 8002275287**. Please fax the bank-in slip to MISIF immediately together with the registration form as proof of payment.
- **No refund** will be entertained although participants can be substituted at any time.
- Fees are inclusive of refreshments, luncheon and course materials.
- The organizer reserves the right to cancel, reschedule, postpone or amend the seminar date/venue/programme/etc. as it deems fit.

Seminar Details

8.30–9.00	Registration of Participants
9.00–9.15	Remarks by MISIF CEO
9.15–10.15	<i>“The Role Of Condition Monitoring System For Maintenance Practice In Direct Rolling Type High Speed Rebar Mill”</i> by Mr. Hsu Tzu Ting, Feng Hsin Steel, Co, Ltd. – Taiwan
	Q & A
10.15–10.30	Coffee Break
10.30–11.00	<i>“Promotion of Digital Transformation in Maintenance Field”</i> by Mr. Junichi Yotsuji, JFE Steel – Japan
11.00–12.00	<i>“How an Effective Lubrication Management Program Can Contribute to Lowering Total Cost of Operation in the Steel Industry”</i> by Mr. Chan Keng Fuong, Lubricant Technical Advisor – Shell Expert
	Speaker
	Q & A
12.00–13.00	<i>“Life Cycle Partnership for Plant Efficiency Improvement”</i> by Mr. Amit Chakraborty, SMS Group
	Q&A
13.00-14.00	Lunch
	End of Seminar
