

Mysteal

2024

Asia Iron Ore Summit 2024亚洲钢矿大会

OCTOBER
22nd-24th

TIME

Grand Hyatt
Kuala Lumpur,
Malaysia

CO-HOST

Metallurgical Council of China Council for the Promotion of International Trade (MC-CCPIT)

South East Asia Iron and Steel Institute (SEASI)

Malaysian Iron and Steel Industry Federation (MISIF)

Vale in Malaysia

SUPPORTING PARTNER

Singapore Exchange Limited (SGX)

TATA International

STRATEGIC SPONSOR

Cargill

Vale in Malaysia

Gold Valley Iron Ore Pty. Ltd.

WHY Malaysia?

Strategically Located: Boasting a prime location adjacent to Singapore, it serves as a gateway to the expansive Southeast Asian and broader Asian markets. Its geographical advantage enables easy access and influence across the region, making it an ideal hub for business and trade.

Convenient entry and exit: Malaysia is VISA free with relatively high safety attributes in Southeast Asian countries.

Strong Industrial Presence: It is recognized as the heart of the steel and mining industry in Southeast Asia. With a well-established industrial ecosystem, it plays a pivotal role in the regional supply chain, attracting investments and fostering economic growth in the sector.

MEDIA PARTNER

Formerly SteelMint / CoalMint

HIGHLIGHTS

- Insights into China's macroeconomic policies and impact on steel & iron ore markets
- The expansion of the Southeast Asian and Indian steel industries and the impact on global iron ore trade patterns
- Green pathways in steelmaking and their impact on BF burden charge
- Rising competitiveness of Chinese domestic iron ore in supplying market
- Outlook on iron ore market for 2025 and a longer future
- Trend of portside iron ore trading & application of derivative packages

WHY ATTEND?

- High-level participants from government departments, industrial associations, exchanges, mining companies, steel mills, trading houses, ports, and related iron ore market players
- 10+ experienced experts will share their insights and outlook on the whole steel and iron ore market development, especially those most-concerned countries such as China, Southeast Asia, and India
- A great networking platform to meet various market players and explore more business opportunities

AGENDA

New Forces Driving Iron Ore Market Tuesday, October 22, 2024

Time	Agenda	Speaker
14:00-17:00 PM	Monitoring Marginal Change of Iron Ore --- An Outlook on Emerging Markets	Mining companies
	New Focus - Outlook on Steel & Iron Ore Market in India	Bigmint
	Completing the SGX's 'Virtual Steel Mill'	Singapore Exchange
	Iron Ore Market Outlook	Mysteel

Main Session Wednesday, October 23, 2024

Time	Agenda	Speaker
08:30 - 09:00	Registration	
09:00 - 09:20	Welcome Speech	
09:20 - 10:10	Chapter 1 — China's Macro Background and Policy Trends	
	How Does Macro Volatility Affect the Commodity Market? China's Steel Market Review and Outlook	TBD TBD
10:10 - 10:25	Tea Break	
10:25 - 11:35	Chapter 2 — Green Pathways in Steelmaking and Their Impact on Raw Materials	
	How the Emerging Southeast Asian Steel Sector Affects Global Iron Ore Trade Flows	South East Asia Iron and Steel Institute (SEAISI)
	S&D Balance Outlook of Iron Ore Amid the Rapid Expansion of India's Steel Industry	Mr. Swapnil Patil, Head - Iron Ore & DRI Trading, Tata International
	How Will the Demand for Raw Materials in Chinese Steel Mills Evolve Under Green Pathways?	TBD
11:35 - 12:35	Panel A: Navigating Future Shifts in Iron Ore Trade Flows Amid Innovation of Green Steel Transformation	Moderator: TBD Guest Speakers: Keyvan Jafari Tehrani, Senior International Market Analyst of Iron Ore & Steel, JTC
		Bilal Muftuoglu, Head of Dry Bulk Research, Howe Robinson Partners
12:35 - 13:25	Lunch	
13:25 - 14:35	Chapter 3 — Outlook in High-Grade Iron Ore	
	Future of High-Grade Iron Ore in a Carbon-Conscious World	VALE
	Changes in China's Concentrate Market Under Price Fluctuations	LEI Pingxi, Chief Engineer, Metallurgical Mines' Association of China
	Trends in the DRI Market	TBD
14:35 - 14:50	Tea Break	
14:50 - 16:00	Chapter 4 — Progress and Prospects of Diversified Sources of Iron Ore in China	
	Exploring the Future Development of Iron Ore Trade Strategies	TBD
	Opportunities & Challenges for Mines in the Portside Spot Market/Blended Ore Model	TBD
	Review and Outlook of the Iron Ore Market	Mysteel Analyst
16:00 - 17:00	Panel B: Exploring the Synergistic Effects of Iron Ore Spot and Derivative Markets	Moderator: SGX Guest Speaker: Cargill

Plant Tour Thursday, October 24, 2024

Details will be announced soon. (Additional registration is required due to limited spots.)

QUOTATION

Registration Fee	Standard Rate/per	Early Bird Offer before Sep 1st /per
Feature Seminar, afternoon Oct 22nd	US\$200	free to join but need pre-registration
Main Session, full-day Oct 23rd	US\$1,200	US\$800
Plant Tour, morning Oct 24th	US\$200	US\$100

SIGN UP NOW!

Please visit the pre-registration page or scan the QR code to have your seat
