**MEMBERS CIRCULAR
(C19/2024)**

Dear Members,

MISIF is collaborating with Universiti Teknologi Malaysia (UTM) to conduct a training on **Greenhouse Gas (GHG) Accounting & Carbon Market Mechanism for Industry Decarbonisation**. Over the course, you will have the chance to learn and apply the techniques for GHG accounting and reporting, from inventory boundaries to emission quantification and reporting based on standard. You will also be exposed to in-house GHG emission tool to facilitate the GHG assessment and reporting.

The details of the training as below,

Date: 20-21 January 2025 (Monday-Tuesday)

Time: 9:00 a.m – 5.00 p.m

Venue: MISIF Training Room, Shah Alam, Selangor

Not only that, we will also expose you with the concept of carbon market, carbon pricing mechanism and share successful case study for establishing the baseline and project activity to be eligible for carbon credit. As you know, carbon markets will impact company operational cost and at the same time are an essential instrument to spearhead the sustainability agenda forward. Act now. Do not miss out on this valuable opportunity to gain the knowledge and skills you need to gear up towards carbon market agenda.

These two days training is **100% HRD Corp Claimable** and will offer valuable opportunity to gain the knowledge and skills you need to gear up towards carbon market agenda. Please find the attached brochure for your reference. For more information and to reserve your seat, please contact MISIF Secretariat.

Thank you.

Yours sincerely,

Ng Mor Kiang
Chief Executive Officer
