(AD 01/19 – SR 01/24)

FOLLOWING the publication of the Notice of Impending Termination of the Imposition of Anti-Dumping Duties on Imports of Cold Rolled Coils of Iron or Non-Alloy Steel, of Width More than 1300mm Originating or Exported from the People's Republic of China, Japan, the Republic of Korea and the Socialist Republic of Viet Nam [P.U. (B) 227/2024] in the *Gazette* on 24 June 2024, the Government has received a request for an administrative review on the imposition of anti-dumping duty on the imports of cold rolled coils of iron or non-alloy steel, of width more than 1300mm excluding tin mill black plate and subject merchandise imported for the purposes of automotive and finwall for transformer end usage originating or exported from the People's Republic of China, Japan, the Republic of Korea and the Socialist Republic of Viet Nam ("subject merchandise") and pursuant to subsection 28(6) of the Countervailing and Anti-Dumping Duties Act 1993 [Act 504] and regulation 34 of the Countervailing and Anti-Dumping Duties Regulations 1994 [P.U. (A) 233 /1994], the Government initiates an administrative review on the imposition of anti-dumping duties on the subject merchandise.

**Request for administrative review**

1. The request for administrative review was lodged by the following domestic producer in Malaysia for cold rolled coils of iron or non-alloy steel:

Mycron Steel CRC Sdn. Bhd.  
Lot 714, 717, 2065 & 2066  
Jalan Sungai Rasau, Seksyen 16  
40200 Shah Alam, Selangor  
Malaysia.

**Subject merchandise**

2. (1) The subject merchandise is classified under the Harmonised System Codes (H.S. Codes) and ASEAN Harmonised Tariff Nomenclature (AHTN) 7209.15.00 00, 7209.16.90 00, 7209.17.90 00 and 7209.18.99 00.

(2) The H.S. Codes and AHTN specified in subparagraph (1) are given only for information and have no binding effect on the classification of the subject merchandise.

**Existing anti-dumping duties**

3. The anti-dumping duties currently in force on the subject merchandise are definitive anti-dumping duties imposed under the Customs (Anti-Dumping Duties) (No. 2) Order 2019 [*P.U. (A) 362/2019*].

**Grounds for the administrative review**

4. (1) The request for administrative review is based on the grounds that the termination of the anti-dumping duties currently in force would be likely to lead to a continuation or recurrence of dumping and injury to the Malaysian industry.

(2) The applicant presented sufficient evidence of the dumping and injury to the Malaysian industry and the causal link between the imports of the subject merchandise with the alleged injury suffered by the domestic industry in Malaysia.

(3) The Government is satisfied that the request carries sufficient grounds to initiate an administrative review.

(4) In coming to the decision, the Government has also examined the prices of the subject merchandise in the domestic market in Malaysia in relation to the likelihood of a continuation or recurrence of dumping.

**Procedure**

5. Having determined that there is sufficient evidence to warrant an administrative review of the anti-dumping duties with regard to the imports of subject merchandise, the Government will initiate an administrative review pursuant to subsection 28(6) of

the Countervailing and Anti-Dumping Duties Act 1993 and regulation 34 of the Countervailing and Anti-Dumping Duties Regulations 1994.
