---

Dear Members,

**MISIF-USM TRAINING COURSE SURFACE TREATMENT AND COATING FOR STEEL**

We are pleased to inform you that registration is now open for the following training course:

**Training Course on Surface Treatment and Coating for Steel**

**Date: 1 - 2 July 2026 (Wednesday - Thursday)**

**Venue: MISIF Training Room, Shah Alam, Selangor**

**Fee: RM1,500 per participant (MISIF Member)**

**Note: Course is HRD Corp claimable (SBL-Khas Scheme)**

The course will be facilitated by Associate Professor Dr. Nurulakmal binti Mohd Sharif and Dr. Tuti Katrina binti Abdullah from the School of Materials and Mineral Resources, Engineering Campus, Universiti Sains Malaysia (USM). Please find attached the brochure for further details of the training course.

This course is designed for engineers, maintenance engineers, managers, and supervisors who wish to enhance their knowledge of surface treatment and coating processes for steel components, particularly for corrosion protection and wear resistance. The course focuses on several commonly used techniques, including surface hardening, chemical surface treatment, electroplating, electroless plating, hot-dip galvanizing, and anodization for metal components.

MISIF members who contribute to HRD Corp may apply under the **HRD Corp Claimable Course Scheme** (formerly known as the **SBL-Khas Scheme**).

Kindly submit the completed registration form to **Ms. Norlian, MISIF Secretariat**, at [norlian@misif.org.my](mailto:norlian@misif.org.my). For further enquiries, please contact her at **03-5513 3970**.

Thank you, and we look forward to your positive response.

Yours sincerely,

Tan Ai Joo  
Chief Executive Officer
