

Asia Sustainable Energy Week

Join the MISIF Delegation to Asia Sustainable Energy Week (ASEW) 2026, organised by Informa Markets – Asia’s premier clean energy exhibition and conference. This leading regional platform brings together global innovators, policymakers, and industry leaders to showcase the latest advancements in renewable energy, energy efficiency, energy storage, and emerging low-carbon technologies.

The programme offers valuable opportunities to explore cutting-edge solutions, gain insights from expert-led conferences, and connect with over 1,500 global energy brands and key stakeholders across the clean energy value chain. It provides a strategic platform to understand practical applications, foster collaborations, and stay aligned with the region’s transition towards a net-zero energy future.
